3. [REDACTED] Briefed Jay Sourwine, Chief Counsel, Senate Special Subcommittee on Internal Security, on S. 1035 and the problems which it creates for the Agency. Sourwine was very quick to recognize this as a bad bill not only for the Agency but for the Executive Branch in general. He noted on his own the immense number of law suits which could result from the provisions of Section 5. Sourwine felt that we should indeed be in touch with Senator Eastland at the earliest possible time to discuss this bill with him. Eastland will return to Washington on 27 June.
